The Official Blues Brothers Revue (produced by Dan Aykroyd and Judy Belushi) combines the comedy, musi c and mayhem from the original movie, as well as songs from the five popular albums released by **John Belush i and Dan Aykroyd**.

Join **Jake** (Wayne Catania) & **Elwood** (Kieron Lafferty) and the '*Intercontinental Rhythm and Blues Revue B and*' for a spectacular tribute to Chicago's rich history of Blues, R&B and traditional soul music.

This is the only Blues Brothers Show sanctioned by **Dan Aykoyd** and the **Belushi Estate.** For anyone who miss ed a chance to see Aykroyd and Belushi as alter egos Elwood and Jake Blues, The Official Blues Brothers Revu e has more than enough of the charisma, mock-straight, button-down humour, and great music to do the trick.
