Address: 181 Perry Street, unit G-1, Port Perry, Ontario

Opening Reception Saturday Jan 11, 2020 1-3pm

Everyone Welcome.

All gardens are unique. They require a detailed look not only at their beauty but the significance they make to their surroundings. There is a story to tell and a dialogue is created between me and my garden. I keep in mind the origin of each bloom whether grown from a seed given by a friend, or one that's travelled on the wind from a distant field. Colour, placement, friend or foe, memories created or forgotten. They tell me how they wished to be painted.

“My work is an eclectic mix of my life experiences, interests and passions which define me. Working from memory, and imagination I take a theme exploring and adapting my processes to best express the subject.” Elizabeth Vercoe

We Will Rock You

Date and Time: Thursday, February 6 7:30 pm - 10:30 pm

Address: Tribute Communities Centre

With the recent Oscar®-winning film, “Bohemian Rhapsody,” the music of Queen is more popular than ever. In 2002, many of those hits were compiled into a rock musical experience, WE WILL ROCK YOU, which will be hitting the road once again for a North American tour including a stop in Oshawa at the Tribute Communities Centre on February 6, 2020.

Produced by Annerin Theatricals in Alberta, Canada, WE WILL ROCK YOU will be offering a VIP package at each stop, which include cast member meet and greets, exclusive merchandise, and much more.

While WE WILL ROCK YOU is a quirky, eccentric and heartfelt story of outsiders, it’s also a creative cautionary tale for the cyberage. It reflects the scale and spectacle that marked Queen’s live performances and earned the band its pinnacle position in rock history. The audience can expect WE WILL ROCK YOU to rock as fiercely as the best of Queen’s concerts.

“Annerin is proud to be able to produce WE WILL ROCK YOU, and we are obviously lucky with our timing,” says Jeff Parry, President Annerin Theatricals. “This is a show I have wanted to produce since I first saw it in London. My vision was to be able to produce it in such a way that it plays in soft-seaters as well as cut-down arenas. I thought that Queen’s musical was for everyone and not just the typical Broadway crowd, therefore we’re producing it in a way that can accommodate most buildings and audiences that want to experience the music of Queen in a uniquely theatrical manner.”

Since 2002, over 16 million theatregoers in 19 countries have been thrilled by this awe-inspiring production which is based on the songs of Queen with a book by Ben Elton (“The Young Ones,” “Blackadder,” “Popcorn”). The original West End production featured music supervision from Brian May and Roger Taylor, and Elton fashioned this futuristic story around more than 24 of Queen’s biggest hit songs including: “We Are the Champions,” “Radio Ga Ga,” “I Want To Break Free,” “Somebody To Love,” “Killer Queen,” “Don’t Stop Me Now,” “Under Pressure,” “Bohemian Rhapsody,” “Another One Bites The Dust” and, of course, “We Will Rock You.”

The fifteenth longest-running musical in West End history received rave reviews upon its original premiere. Groups 15+ save on tickets.

Matt Weidinger - The Music of Van Morrison

Date and Time: Saturday, February 29 8:00 pm - 11:30 pm

Address: St. Francis Centre 78 Church Street South Ajax ON L1S 6A8

“... Matt Weidinger and his stellar group of musicians have put together a live music gem” – Bob Hunt, The Blues Studio Sessions

“Matt’s interpretation of Van’s music is a deeply moving personal memoir of Celtic soul. Simply marvellous..Actually fantabulous!” – Bruce Hall, Grand Rivers Blues Society

Born decades after Van Morrison was creating some of his most enduring music, singer songwriter, **Matt Weidinger**, has a musical connection to the '60s and '70s, what he calls the golden age of record-making.

Anyone who’s seen him perform would agree with the “old soul” label, so it’s particularly fitting that he’s taking on the songs of an old soul master with his latest tribute to the music of Van Morrison. It’ll be something of a retrospective of Van the Man’s extensive song catalogue, with a particular focus on the early stuff that was Weidinger’s introduction to Morrison’s brand of Celtic soul.

“I started listening to Van Morrison in high school, with Astral Weeks ... and then Moondance,” he says, soon uncovering a treasure trove of musical offerings. “He’s got a huge catalogue. With Van Morrison, there’s just so much to see, so much to discover.”
