Marianas Trench

Date and Time: Monday, March 11 7:00 pm - 11:00 pm

Address: Tribute Communities Centre

“After months of hibernating in the studio, it's time to get back on stage in front of our fans and share some new music with the world. We couldn't be more excited. Time to dust off the shiny pants and stretch out the glute

s, the Trench is back,” said lead guitarist Matt Webb.

Last week, the band released their latest single “I Knew You When” (604 Records), an upfront take on moving on from a former relationship and the lingering memories that remain. “I Knew You When” is the perfect combination of fresh pop-rock beats that blend seamlessly with lead singer, Josh Ramsay’s incredible vocals.

“I often find pop dance tracks don't really have much lyrical substance. To quote Dave Grohl, "It's catchy and fun to dance to, but if your favorite song is about your butt, you have a problem." I wanted to make a fun pop dance track that actually meant something to me, personally,” added Ramsay.

“This is about long term, messy, real life love. Love with consequence. Not about drunken lust, or doing shots in a bar, or "living life for just tonight," but the kind of real-life relationship that takes a decade to build, through ups and downs. If I've learned one thing in my life as a performer it's this; if you're going to sing a song every night for the rest of your career, you better mean it - and I do.”

Joining Marianas Trench on tour is platinum-certified, break out Canadian duo Elijah Woods x Jamie Fine. EW xJF is a delicate marriage of exploratory musical styles and masterful emotional play. The duo purposefully breaches the boundaries of pop music touching on many influences including Hip-Hop and R&B that consistently shake up their sound.

Over the last decade, Marianas Trench have consistently raised the musical bar both in the studio and via their explosive live shows. They have built their name on relentless touring across Canada and globally, headlining tours in the USA, Australia, New Zealand and Europe.

Since their 2006 debut, *Fix Me*, Marianas Trench have had two certified, double platinum-selling records (*Mast erpiece Theatre*, *Ever After*) and two certified gold-selling albums with chart topping hits including ‘Rhythm Of Your Heart,’ ‘Haven’t Had Enough,’ and ‘Who Do You Love.’ Along with double platinum and gold digital singles, the band has also garnered multiple SOCAN and MMVA Awards, number 1 videos on MuchMusic, JUNO Award nominations and won the 2013 JUNO Award for Group of the Year. Ramsay also received a GRAMMY nomination in 2013 for co-writing and producing Carly Rae Jepsen's international breakthrough smash and certified US diamond selling single "Call Me Maybe."

Come see movies that will stir your emotions and make you think -- movies with award-caliber performances, movies for the artist in all of us. Canada Water Week Movie Screening: On Thin Ice and The Big Leak by the Water Brothers

Date and Time: Monday, March 18 7:30 pm - 9:30 pm

Address: St. Francis Centre, 78 Church St. S, Ajax, ON L1S 6A8

Come celebrate Canada Water Week with a Movie Screening of the Water Brothers Eco Adventure Episodes!

The Big Leak

Most of us enjoy fresh clean tap water 24/7, but few of us are aware of the problems facing our outdated water infrastructure networks that bring us that water and take away our waste and the billions of dollars that will be needed to fix these problems. The Brothers venture into this hidden underworld and investigate what can be done to fix our aging water networks.

On Thin Ice

Canada is home to over 1 million lakes and one of the largest freshwater supplies in the entire world, but scientists are discovering that these vast freshwater resources, and the ecosystems they support, are increasingly at risk due to the effects of climate change. From changing rainfall patterns, to reduced snowpack, melting mountain glaciers and warming lakes, Canada is more vulnerable to climate change than many of us assume. We are indeed living on thin ice.

Following the screening, enjoy a short question and answer period.

Address: Room C-113, G. Willey Bld., UOIT/DC Campus, 2000 Simcoe St. N.

The Cinechats Film Festival is an acclaimed weekly (and year-round!) series of the best motion pictures from around the world. It's like TIFF, but right here in suburbia -- and without all the immodest hype. Instead, we have lively conversations after each film. To date, over 28,000 people have attended Cinechats, which is a not-for-profit community educational collaboration between Artsforum, the University of Ontario Institute of Technology (UOIT), Durham College, and the Durham Council for the Arts. (Trent University in Durham has also been a recent partner.) Cinechats was twice nominated for the region's Art of Transition Creative Award. Come see movies that will stir your emotions and make you think -- movies with award-caliber performances, movies for the artist in all of us. We've even had a world-premiere and some exclusive presentations of films before they were released commercially in North America. Cinechats Film Festival

Date and Time: Thursday, March 28 6:30 pm - 9:00 pm

Address: Room C-113, G. Willey Bld., UOIT/DC Campus, 2000 Simcoe St. N.

The Cinechats Film Festival is an acclaimed weekly (and year-round!) series of the best motion pictures from around the world. It's like TIFF, but right here in suburbia -- and without all the immodest hype. Instead, we have lively conversations after each film. To date, over 28,000 people have attended Cinechats, which is a not-for-profit community educational collaboration between Artsforum, the University of Ontario Institute of Technology (UOIT), Durham College, and the Durham Council for the Arts. (Trent University in Durham has also been a recent partner.) Cinechats was twice nominated for the region's Art of Transition Creative Award. Come see movies that will stir your emotions and make you think -- movies with award-caliber performances, movies for the artist in all of us. We've even had a world-premiere and some exclusive presentations of films before they were released commercially in North America. Luke Combs - Beer Never Broke My Heart Tour

Date and Time: Friday, March 29 7:00 pm - 11:00 pm

Address: Tribute Communities Centre

Luke Combs will kick off his “Beer Never Broke My Heart Tour” in 2019—his first ever headline arena tour, marking another major career milestone for the breakthrough musician. The extensive tour—which will feature special guests LANCO and Jameson Rodgers—will commence January 31 at Birmingham’s Legacy Arena at the BJCC and will span through the spring featuring stops at legendary venues across the country including New York’s Hammerstein Ballroom and Colorado’s Red Rocks Amphitheater, among many others. Combs will stop in Oshawa at the Tribute Communities Centre on Friday, March 29, 2019.

The tour—which was originally announced by Combs earlier this morning on SiriusXM’s The Highway channel—will go on-sale next Friday, September 14 at 10:00am local time.

His second headline tour, the “Beer Never Broke My Heart Tour” follows Combs’ record-breaking, 55-city sold-out “Don’t Tempt Me With A Good Time Tour”—completed earlier this year—and will be preceded by a series of fall U.K./European headline shows—which sold out months in advance. See below for details.

The tour culminates a massive breakthrough year for Combs, which saw the release of his platinum certified debut album, *This One’s For You*, released on River House Artists/Columbia Nashville and two recent nominations at the 2018 CMA Awards for Male Vocalist of the Year and New Artist of the Year.

This One’s For You is currently the most streamed country album of 2018, achieving over one billion streams and was also the largest album debut from a new country artist in 2017. The album debuted at #1 on the Billboard Country Albums Chart, where it has spent a total of 12 weeks at #1 and at #5 on the Billboard Top 200 Chart. Additionally, Combs has had three consecutive #1 radio singles—3x platinum “Hurricane,” 2x platinum “When It Rains It Pours” and platinum “One Number Away.”

In addition to his breakout debut album, Combs released the deluxe edition, *This One’s For You Too*, earlier this summer, which landed at #1 on Billboard Country Albums Chart and #4 on Billboard 200 Chart.

Since the release of *This One’s For You*, Combs has been named Billboard’s Top 100 Artist and Top New Country Artist of 2017, “Best New Country Artist” at the iHeart Radio Awards, Music Row’s “Breakthrough Artist Of The Year” and 2017 Artist To Watch by Amazon Music, Billboard, Bobby Bones, CMT, HuffPost, Nashville Lifestyles, Pandora and Rolling Stone.

This One’s For You was produced by Scott Moffatt (except for “One Number Away,” which was co-produced by Sammy Mitchell and Jackie Boyz) and recorded in Nashville, TN at Gold Cassette Studios and Direct Image Recording Studio.
