Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.
