Holiday Dreams - A Spectacular Holiday Cirque

Date and Time: Saturday, December 17 7:00 pm - 9:00 pm

Address: Tribute Communities Centre - 99 Athol Street East, Oshawa

Looking for something new and exciting to do this holiday season? Look no further than Holiday Dreams, A Spectacular Holiday Show! This amazing holiday show is coming to Oshawa's Tribute Communities Centre on Saturday, December 17 and features holograms, projection mapping, holiday music and incredible lasers, along with a cast of award-winning acrobats, daredevils and cirque-performers.

Created as a modern alternative to holiday shows, Holiday Dreams presents a fast-paced exciting cirque-style show that is appealing to everyone. Produced by Las Vegas-based production company, Q Productions Las Vegas, the show presents holographic technologies as seen only in Vegas productions. The show also features projection mapping and interactive lasers. The performers include award-winning acrobats to seasoned talent seen in show

ws like America's Got Talent and Outrageous Acts of Science. Added spectacles such as elves catapulting themselves off ramps while riding scooters to BMX Bikes and Extreme Rollerbladers to acrobats diving off a giant T rampwall and all the way to comedic performances, Holiday Dreams delivers a totally unique spectacle.

Show creator and producer Fernando Quevedo says "I wanted the show to present high-end technology and amazing talent seen only in Vegas shows. We have holograms that are truly magical. We have Lady Light, an award-winning laser performer that 'bends' light and manipulates lasers; we have a lot of audience interaction and comedy." says Fernando. He adds, "I also wanted to create a show that celebrated the spirit of the Holidays and would serve as a bridge for families from different generations to come together and experience something together. We are all absorbed in our little technological worlds. Theater allows a communal experience. A place for all to gather and laugh, cheer and be awed. There's something truly wonderful about that."

Holiday Dreams is not only high-energy production numbers. It has a whimsical story that connects all of the performers featuring a mischievous Elf that thinks he has mailed himself to a tropical island but instead finds himself delivered to the wrong address: the Tribute Communities Centre.

So if you're looking for something new, fun, exciting and holiday-themed to do this holiday season, be sure to check out Holiday Dreams, A Spectacular Holiday Cirque!

Menorah Lighting

Date and Time: Tuesday, December 20 3:00 pm

Address: 65 Harwood Ave S. Ajax, ON

Celebrate Hannukah with a Menorah Lighting hosted by the Town of Ajax and Rabbi Tzali Borenstein from the Chabad Jewish Centre of Durham Region.

Event agenda:

- Short program
- Kosher refreshments
- Mix and mingle

What is Hannukah (Chanukah)?

Chanukah is the Jewish eight-day, wintertime “festival of lights,” celebrated with a nightly menorah lighting, special prayers and fried foods.

The Hebrew word Chanukah means “dedication,” and is thus named because it celebrates the rededication of the Holy Temple (as you’ll read below). Also spelled Hanukkah (or variations of that spelling), the Hebrew word is actually pronounced with a guttural, “kh” sound, kha-nu-kah, not tcha-new-kah.

In the second century BCE, the Holy Land was ruled by the Seleucids (Syrian-Greeks), who tried to force the people of Israel to accept Greek culture and beliefs instead of mitzvah observance and belief in God. Against all odds, a small band of faithful but poorly armed Jews, led by Judah the Maccabee, defeated one of the mightiest armies on earth, drove the Greeks from the land, reclaimed the Holy Temple in Jerusalem and rededicated it to the service of God.

When they sought to light the Temple's Menorah (the seven-branched candelabrum), they found only a single cruse of olive oil that had escaped contamination by the Greeks. Miraculously, they lit the menorah and the one-day supply of oil lasted for eight days, until new oil could be prepared under conditions of ritual purity.

To commemorate and publicize these miracles, the sages instituted the festival of Chanukah.
