### The Moraine Adventure Relay

Date and Time: Saturday, June 9 8:00 am - 11:30 pm

Address: Full Relay Start: Gore's Landing on Rice Lake; Half Relay Start: Purple Woods Conservation Area; Relay Finish: Seneca College, King City

The 12<sup>th</sup> Annual Oak Ridges Moraine Adventure Relay has something new this year... two races to choose from: the Full Relay and the Half Relay! An enthusiastic team of volunteers has already started to plan one of the largest events of its kind in Ontario that annually engages 400 canoeists, runners and trail cyclists in relay stages covering 160 km of beautiful Oak Ridges Moraine trail. The big event is on Saturday, June 9<sup>th</sup>, 2018.

We are looking for Ontario residents to create and register recreational, corporate or elite teams to compete in the event. Many teams are formed by neighbours and friends in communities all across the Moraine, as well as further afield. Please consider starting your own team to compete in one of the two races of this exciting event.

The Full Relay course runs point-to-point from Gore's Landing on Rice Lake south of Peterborough, stretching **160km** westward to King City. The course is divided into 14 Relay stages of varying distances consisting of water, road and trail portions. With the exception of the 2-person canoe stage, one team member will complete each stage; however, an individual may do multiple stages. Thus, Full Relay teams may include up to 15 members. The race starts at 8 am with the canoe stage. All teams are expected to complete the route by 11:30 p.m.

New this year is the Half Relay, which covers half the distance (80 km) with seven stages of biking and running for a team of up to seven people. The Half Relay course covers the last half of the full relay race from the Purple Woods Conservation Area to the Finish Line at Seneca College in King City. The race starts at 1 pm. The Half Relay race occurs simultaneously with the Full Relay race, and is open to recreational and corporate teams. Elite teams will only do the Full Relay.

Participating in the Adventure Relay is a great team-building exercise, and emphasizes the importance of physical activity to overall health. The Relay is the major annual fund raiser for the Oak Ridges Trail Association, with proceeds from team entries and sponsorships going towards improved signage, parking lots, boardwalks and maintenance equipment used to keep the trail clear and safe for all users.

The price to participate in the Full Relay for recreational and elite teams is \$550 per team registered by April 30<sup>th</sup>, and \$600 for a team registered after April 30<sup>th</sup>. For Corporate teams, the price to participate in the Full Relay is \$2,000.

For the Half Relay, the price to participate for a recreational team is \$425 registered by April 30<sup>th</sup> and \$450 aft

er April 30<sup>th</sup>. A corporate-sponsored team costs \$1,750 to participate in the Half Relay.

If you're not up to competing, you could become a Relay volunteer at one of the 15 checkpoints along the trail to record in and out times, supply refreshments and advice, take photos, and cheer on the competitors!

## **EA) Study to examine the need for improvements to the Taunton Road (Regional Road 4) / Regional Road 57 Intersection and the bridge located immediately west of the intersection, in the Municipality of Clarington**

Date and Time: Tuesday, June 19 5:30 pm - 7:30 pm

Address: Hampton Community Hall, 5360 Old Scugog Road, Hampton

The Regional Municipality of Durham has initiated a Schedule 'C' Municipal Class Environmental Assessment (Class EA) Study to examine the need for improvements to the Taunton Road (Regional Road 4)/Regional Road 57 intersection and the bridge located immediately west of the intersection, in the Municipality of Clarington.

Reconstruction of the bridge, which crosses over a tributary of the Bowmanville Creek, is required in order to address the deteriorating bridge condition identified during the Region's biannual bridge inspection program. The intersection of Taunton Road (Regional Road 4) and Regional Road 57 requires operational improvements to address growing traffic volumes.

The public is invited to attend a Public Information Centre (PIC) to provide comments and feedback on the design alternatives, involving the recommended bridge and intersection (roundabout) designs and review the findings of the background studies.

Following the PIC, the material presented at the meeting will be posted on the Regional Municipality of Durham's website at [durham.ca/WorkProjects](http://durham.ca/WorkProjects).

# Cirque du Soleil - Corteo

## Cirque du Soleil is bringing one of the best-loved Cirque du Soleil productions to Oshawa for 6 performances!

After thrilling more than 8 million people worldwide, CORTEO will embark on a new journey next March as the same enchanting production but now in arenas, giving more people the opportunity to enjoy a Cirque du Soleil show in their own town. The show will visit Oshawa at the Tribute Communities Centre for a limited run of six performances, from June 21 to 24, 2018.

This unique production directed by Daniele Finzi Pasca premiered in Montreal in April 2005 and has visited 64 cities in 19 countries.

CORTEO, which means cortege in Italian, is a joyous procession, a festive parade imagined by a clown. The show brings together the passion of the actor with the grace and power of the acrobat to plunge the audience into a theatrical world of fun, comedy and spontaneity situated in a mysterious space between heaven and earth.

The clown pictures his own funeral taking place in a carnival atmosphere, watched over by quietly caring angels. Juxtaposing the large with the small, the ridiculous with the tragic and the magic of perfection with the charm of imperfection, the show highlights the strength and fragility of the clown, as well as his wisdom and kindness, to illustrate the portion of humanity that is within each of us. The music turns lyrical and playful carrying CORTEO through a timeless celebration in which illusion teases reality.

The cast of CORTEO includes 51 acrobats, musicians, singers and actors from all around the world.

## Cirque du Soleil - Corteo

Date and Time: Saturday, June 23 3:30 pm - 6:00 pm

Address: Tribute Communities Centre

# Cirque du Soleil - Corteo

## Cirque du Soleil is bringing one of the best-loved Cirque du Soleil productions to Oshawa for 6 performances!

After thrilling more than 8 million people worldwide, CORTEO will embark on a new journey next March as the same enchanting production but now in arenas, giving more people the opportunity to enjoy a Cirque du Soleil show in their own town. The show will visit Oshawa at the Tribute Communities Centre for a limited run of six performances, from June 21 to 24, 2018.

This unique production directed by Daniele Finzi Pasca premiered in Montreal in April 2005 and has visited 64 cities in 19 countries.

CORTEO, which means cortege in Italian, is a joyous procession, a festive parade imagined by a clown. The show brings together the passion of the actor with the grace and power of the acrobat to plunge the audience into a theatrical world of fun, comedy and spontaneity situated in a mysterious space between heaven and earth.

The clown pictures his own funeral taking place in a carnival atmosphere, watched over by quietly caring angels. Juxtaposing the large with the small, the ridiculous with the tragic and the magic of perfection with the charm of imperfection, the show highlights the strength and fragility of the clown, as well as his wisdom and kindness, to illustrate the portion of humanity that is within each of us. The music turns lyrical and playful carrying CORTEO through a timeless celebration in which illusion teases reality.

The cast of CORTEO includes 51 acrobats, musicians, singers and actors from all around the world.
