CTMP Labour Day Weekend Sprints

Date and Time: Friday, September 1 9:00 am - 8:00 pm

Address: Canadian Tire Motorsport Park, 3233 Concession Rd 10, Bowmanville, Clarington

The final event on Canadian Tire Motorsport Park's 2023 major event schedule is the Labour Day Weekend Sprints, featuring Canada's national stock car championship, the NASCAR Pinty's Series. This is the penultimate round for the NASCAR Pinty's drivers, and a win in Sunday's WeatherTech 200 will play a big part in their title chase. Four other road racing series round out the three-day weekend schedule: the Nissan Sentra Cup, Sports Car Championship Canada presented by Michelin, Emzone Radical Cup Canada presented by Michelin and the Toyo Tires F1600 Championship. Off-track, there's plenty of excitement for race fans of all ages to enjoy, including interactive displays, vendors, food and the Beer Garden in the CTMP Marketplace, while the Canadian Tire Fun Zone serves up fun activities for families with younger kids. The CTMP Merchandise Trailer, located near the paddock restaurant area, is THE place to get your officially licensed CTMP gear and other must-have merchandise and souvenirs. Don't miss the race team paddock, located at the circuit infield at the north end near the start/finish straight. This is your chance to get up close to all the team transporters, races cars, crews and drivers when they're not on track competing. Watch and listen for announcements about driver autograph sessions held by some of the series. Access to the CTMP Marketplace, The Canadian Tire Fun Zone and the race team paddock is all included with your event ticket purchase. We'll celebrate final holiday long weekend of the summer with a big fireworks display Saturday night, launched at dusk from Corner 1.

It all began at a Toronto Blues Society meeting following the 1998 Maple Blues Awards. Gary Kendall, band leader, told all present that the music that accompanied the award presentations should be better. The come back was “Let’s see what you can do”. It must be working because the band has been the centre piece of the Maple Blues Awards ever since.

At inception twenty-four years ago, Kendall knew the ball was in his hands and that he had to make it good; really good. He wanted a big band that could play all the blues styles, Delta Blues, Southside Chicago Blues, New Orleans Funk, Uptown Blues, Zydeco, Blues Rock and most of all Canadian Blues. Over the years the musicians that have contributed to making this dream possible all rose to the occasion lending their talent, support and high level of musicianship.
