Opening Reception: Sameer Farooq - Boop Museum

Date and Time: Sunday, May 5 2:00 pm - 4:00 pm

Address: Visual Arts Centre of Clarington, 143 Simpson Avenue, Bowmanville, Ontario, L1C 3K8

The Visual Arts Centre of Clarington is pleased to present a solo exhibition by Sameer Farooq.

The interdisciplinary practice of Sameer Farooq questions dominant institutional narratives in collections and museums. For over 15 years, Farooq has created community-based models of participation and knowledge production in order to re-imagine a material record of the present. Using museum display strategies as a medium, Farooq points to persistent absences in historical narratives, making buried histories more visible and offering counter-archives and new additions museum collections. Originally trained as a cultural anthropologist, he enlists the tools of installation, sculpture, photography, documentary filmmaking, writing and various anthropological methods to explore forms of collecting, interpreting, and display.

Farooq continues his exploration of institutional collecting strategies in Boop Museum. The exhibition comprises of de-accessioned objects from the Clarington Museum and Archives, who actively support and follow Ministry Guidelines and ethical museum practices with respect to collecting and de-accessioning objects. Working with a small portion of dolls, Farooq repurposes the de-accessioned objects to become part of a large-scale installation. The objects are displayed on museum furniture designed for people between 3 feet and 4 feet tall, creating a speculative museum made for children. On the last day of the exhibition, the children of the Clarington community are invited to the Visual Arts Centre of Clarington to "loot" the museum space created by Farooq. In keeping with his social practice, Farooq releases the objects back to the children, creating a community-based museum space while exploring the potential lives objects could have once they leave the historical archive.

As is fitting for a man with the word "Blues" tattooed across his picking hand, there may not be a more honest bluesman than Mike Zito, whose 15th album "First Class Life" comes out May 11 on RUF Records.

The rocking yet poignant title track explores his journey from addiction to sobriety and then musical recognition; he is a two-time 2017 Blues Music Award nominee. "Second chance at a first-class life," he sings, recalling the hard times. The Texas-based musician smiles and continues, "I grew up poor in St. Louis, and now I'm travelling the world to sing my songs."

Kicking off the evening will be 3x Top Ten Billboard Blues Artist and a Ruf Records recording artist, Jeremiah Johnson. "Jeremiah Johnson is the real deal, a honky-tonk hero for the blues just like Waylon was for outlaw country." — Goldmine Magazine - October 2018

Date and Time: Thursday, May 16 6:30 pm - 9:00 pm

Address: Room C-113, G. Willey Bld., UOIT/DC Campus, 2000 Simcoe St. N.

The Cinechats Film Festival is an acclaimed weekly (and year-round!) series of the best motion pictures from around the world. It's like TIFF, but right here in suburbia -- and without all the immodest hype. Instead, we have lively conversations after each film. To date, over 28,000 people have attended Cinechats, which is a not-for-profit community educational collaboration between ARTSforum, the University of Ontario Institute of Technology (UOIT), Durham College, and the Durham Council for the Arts. (Trent University in Durham has also been a recent partner.) Cinechats was twice nominated for the region's Art of Transition Creative Award. Come see movies that will stir your emotions and make you think -- movies with award-caliber performances, movies for the artist in all of us. We've even had a world-premiere and some exclusive presentations of films before they were released commercially in North America. For more information, contact John at (905) 576-0359 or by email at: artsforum_magazine@yahoo.ca

Metrolinx Public Meeting: Bowmanville Extension Update Meetings

Date and Time: Tuesday, May 21 6:00 pm - 8:00 pm

Address: Garnet B. Rickard Recreation Complex, Hall #2 2440 Highway 2 Bowmanville, ON

Metrolinx to present 4 options for Go Train Lakeshore East Extension

Metrolinx is focused on bringing better GO services, faster, to our customers in the Greater Golden Horseshoe. We've heard directly from our riders that they want more trains, more buses, and expanded routes.

In 2018, we increased our services by 22.6%, that includes 22 new midday weekday trips between Oshawa and Union Station in Toronto. Just last month, we added a new morning express train from Durham Region to Union, and a new return trip in the afternoon rush hour, every weekday. Durham Region now has 15 minute, all-day service between Oshawa and Union Station for most of the very weekday.

One of our other goals is to find a way to get more rail service to communities beyond Oshawa as quickly as we can, and to do so with an all-day service. The original plan from a few years ago was for limited service in the morning and evening peaks only. The options we are now considering are based on operating train service throughout the day.

We will work very closely with our municipal and freight partners to test which options are most advantageous, balancing both the benefits and the costs associated with each option to achieve this very important rail extension. This will include identifying how we achieve this extension as quickly as possible.

You are invited to attend one of our community meetings to learn more about the four options we are considering to extend GO service beyond Oshawa.

The Cinechats Film Festival is an acclaimed weekly (and year-round!) series of the best motion pictures from around the world. It's like TIFF, but right here in suburbia -- and without all the immodest hype. Instead, we have lively conversations after each film. To date, over 28,000 people have attended Cinechats, which is a not-for-profit community educational collaboration between Artsforum, the University of Ontario Institute of Technology (UOIT), Durham College, and the Durham Council for the Arts. (Trent University in Durham has also been a recent partner.) Cinechats was twice nominated for the region's Art of Transition Creative Award. Come see movies that will stir your emotions and make you think -- movies with award-caliber performances, movies for the art in all of us. We've even had a world-premiere and some exclusive presentations of films before they were released commercially in North America. For more information, contact John at (905) 576-0359 or by email at: artsforum_magazine@yahoo.ca

Vive! Retreats Open House

Date and Time: Saturday, May 25 10:00 am - 2:00 pm

Address: 85 Concession 4, Sunderland, ON

Ladies, Picture Yourself Escaping To A Rustic Cabin In The Woods!

It's a peaceful place & it's 'free' to come discover on Saturday May 25th, from 10-2pm, during the OPEN HOUSE being hosted by Vive Mediation, (at our rustic cabin in the woods), located at 85 Concession 4, Sunderland (not our Uxbridge office). This picturesque setting is 15 minutes north of Uxbridge & during the OPEN HOUSE we're offering complimentary refreshments, hosting a giveaway PLUS sharing all the exciting news about our upcoming RESTORATIVE RETREATS & more!

Who Should Attend?

Women! Since we often struggle with finding our path to true happiness, therefore, our mission at Vive! is simple. We plan to offer Restorative Retreats, at a safe sanctuary where women can begin to build a new vision of you and encourage you to be the best version of yourself. We're experienced at guiding women thru challenging situations such as relations issues, financial concerns, career obstacles, family conflicts, life transitions etc., so come learn more about what's planned.

Wondering Why The Open House Is Not At Our Office?

We're hosting our OPEN HOUSE, at our rustic cabin, instead of our Uxbridge office, since the cabin will be the future location of our Restorative Retreats, where small groups of like-minded women will gather to begin their mindfulness journey. It's also a unique opportunity to connect with a group of experts who are eager to help guide you along the way since they understand that each tough scenario chips away at piece of you, so we've teamed up to help YOU- navigate through uncertain times & determine the best path forward.

Curious About The Cabins Location?

Well, picture yourself driving through the rolling countryside, between Uxbridge & Brock Townships, & arriving at a picturesque destination, nestled on 11 acres of woodland so you're surrounded by nature- all around. It's right in the heart of the Greenbelt, just a short drive from Uxbridge, (The Trail Capital of Canada), so come escape & find YOU!

Interested In What'll Happen At The Cabin?

At Vive!, we believe that our cabins setting provides the ideal place for women to reconnect with themselves, to find that part within themselves they may have lost or not yet discovered. Envision yourself getting away from the ordinary, or escaping the hustle and bustle of life, to allow yourself to gain a new perspective on where your life is taking you & to encourage you to become the best version of yourself. Often stepping into a simple, natural setting with healthy foods and holistic practices, & like-minded women, will bring tremendous value and clarity to your life- so come visit the Cabin on May 25th.

Wondering Who Else Will Attend Our Open House (& Retreats)?

At Vive!, we know that it often takes a team of experts to work through some of life's challenging scenarios so we have arranged experts, in various fields, to be part of our team (your team!) during our upcoming retreats. Therefore, during the open house, they'll be on hand, for a meet 'n greet, so come meet; Kari Geddes founder Uxbridge Mortgage Solutions, Darlene Cordingley founder of Darlene Cordingley Bookkeeping, Susan Ward founder of Pathways to Peace Yoga & Healing, Suzie Ebedi founder of Nourishing Energy and Zenna Mibeve founder of Mind Body Breath. It's your chance to hear about their experience(s) & learn about the added value they'll bring to our Retreats since they're dedicated to guiding Women thru challenges situations such as relations issues, financial concerns, career obstacles, family conflicts, life transitions, elder care, etc...

MARK YOUR CALENDAR: Saturday May 25th, 10-2pm! Come escape to our rustic cabin in the woods and explore all that's possible during our upcoming RESTORATIVE RETREATS- where you can begin your journey to a happier YOU!

What Happens If You Can't Attend The Open House?

No worries! We're Women who understand that life's hectic! However, since we'd like to share the Retreat info with everyone you can simply contact us later. And, keep in mind that Vive! Retreats were designed to allow those who do not have the luxury of being away from home overnight, to enjoy some peace, to become restored and return home with a fresh new perspective. Additionally, you'll be connected to resources (& not feel alone)-with no one to turn to for support during challenging times. For more info, email vivemediate@gmail.com or call Sally Morgan at 905 868-0905.

The Cinechats Film Festival is an acclaimed weekly (and year-round!) series of the best motion pictures from around the world. To date, over 28,000 people have attended Cinechats, which is a not-for-profit community educational collaboration between Artforum, the University of Ontario Institute of Technology (UOIT), Durham College, and the Durham Council for the Arts. (Trent University in Durham has also been a recent partner.) Cinechats was twice nominated for the region's Art of Transition Creative Award. Come see movies that will stir your emotions and make you think -- movies with award-caliber performances, movies for the art in all of us. We've even had a world-premiere and some exclusive presentations of films before they were released commercially in North America.
