Thank You Canada Tour

Date and Time: Thursday, November 1 7:00 pm - 10:00 pm

Address: Tribute Communities Centre

Canada has produced the most talented figure skaters in the history of the sport with household names like Virtue, Moir, Chan, Osmond, Stojko and more who have reached the pinnacle of the sport in the Canadian Nationals, World Titles and Olympic Games. As a 'thank you' to their home country, these Canadian greats will embark on The Thank You Canada Tour, presented by Round Room this fall including a performance at Oshawa's Tribute Communities Centre on November 1, 2018. Tickets will go on sale June 8, 2018 at tributecomunitiescentre.com, by phone at 1-877-436-8811 and in person at the Tribute Communities Centre Ticket Office. Groups of 10+ have a group ticket savings available! Contact the venue for more information.

Launching October 5, 2018 in Abbotsford, BC, the cross-country tour will play in 30 cities, wrapping up in St. John's, NL. Family, friends and long-time fans will have the special opportunity to see some of their favourite performances that put these Canadian darlings on the top of podiums around the world.

The 2018 tour cast features five-time Olympic Medalists, three-time World Champions and eight-time National Champions Tessa Virtue & Scott Moir; three-time Olympic Medalist, three-time World Champion, and ten-time National Champion Patrick Chan; three-time Olympic Medalist, four-time World Medalist, seven-time National Champion Meagan Duhamel & Eric Radford; three-time Olympic Medalist, three-time National Champion, World Champion Kaetlyn Osmond; and two-time Olympic Medalist, three-time World Champion, and seven-time National Champion Elvis Stojko.

"After a career that has taken us to many corners of the world, it's thrilling to return to Canada and celebrate with those who have supported us every step of the way. Visiting cities that don't ordinarily get skating productions is particularly special to us, as we know firsthand how important grassroots programs are in small towns - it's how we got our start! Our hope is to inspire a new generation to pursue their goals fearlessly," says Tessa Virtue.

"We love Canada, we love Canadians and we love what this country represents! It's the perfect time in our career to say thank you and acknowledge the unwavering and unconditional support we've received over the years," adds Scott Moir.

"This is a special group and we're not ready for this ride to end. We want to keep performing and share our craft and our love of skating with all Canadians," says Patrick Chan.

But from the moment Devin was drawn to playing music, he was determined to get as close as possible to the sources of all the sounds he loved, whether they were made by rock and roll's founding fathers, the Grand Ole Opry's honkytonk heroes, or Jelly Roll Morton and the kings of jazz.

Stone Temple Pilots and Seether have announced a co-headline tour, along with special guest Default, in Canada where they will be stopping in Oshawa at the Tribute Communities Centre on Saturday, November 10, 2018.

With over 50 million albums sold, Stone Temple Pilots roared on to the scene in 1992 with their raucous debut album, *Core*. A breakout success, the album peaked #3 on the Billboard 200 chart, and dominated radio waves with hits like “Sex Type Thing,” “Wicked Garden,” and the Grammy-Award winning, “Plush.” STP founding members Dean DeLeo, Robert DeLeo, Eric Kretz, along with new lead vocalist, Jeff Gutt, released their seventh studio album, *Stone Temple Pilots* (2018), and just wrapped the Rev 3 tour to rave reviews. The Atlanta Journal Constitution said, “STP made the comeback they’ve been trying for,” and DC Music Review stated, “The band was tighter than ever.”

Alt-metal rockers and multiplatinum selling band, Seether (Shaun Morgan, vocals/guitar; Dale Stewart, bass/vocals and John Humphrey, drums), released their seventh studio album, *Poison The Parish*, last year which debuted at #1 on Billboard’s Hard Rock Albums chart. Recorded at Blackbird Studio in Nashville, Tennessee, it marked the first album produced entirely by front man Shaun Morgan and was released through Morgan’s newly launched label imprint, Canine Riot Records (via Fantasy.) Since the release, the band has been touring non-stop across the world on their headlining “Poison The Parish” tour.

With fourteen Rock Radio singles, including three #1 hits, multi-award winning, Platinum-certified Canadian rock band, DEFAULT is set to return to the road this fall. Formed in 1999, the JUNO Award winning group will reunite with multi-platinum, award-winning entertainer Dallas Smith at the helm, after amicably disbanding in 2013, following a career that saw meteoric success in North America and other parts of the world. Best known for their timeless hit “Wasting My Time”, which soared to #1 in Canada and #2 in the U.S., Default is; Dallas Smith (lead vocals), Jeremy Hora (lead guitar), Dave Benedict (bass) and Danny Craig (drums).

Gordon Lightfoot Live!

Date and Time: Friday, November 16 8:00 pm - 11:00 pm

Gordon Lightfoot

After more than 50 active years of hit song making and international album sales well into the multi-millions, it's safe to say that esteemed singer-songwriter and musician Gordon Lightfoot resides with some very exclusive company atop the list of all-time greats. He will also soon reside amongst the list of artists that have performed in Oshawa as Lightfoot will be performing at the Tribute Communities Centre on November 16, 2018. Lightfoot will be joined by Rick Haynes on Bass, Barry Keane on Drums/Percussion, Michael Heffernan on Keyboards and Carter Lancaster on Lead Guitar.

Lightfoot's song catalog is incredibly vast and includes such immortals as "Early Morning Rain," "If You Could Read My Mind," "Carefree Highway," "Sundown," "(That's What You Get) For Lovin Me," "The Wreck Of The Edmund Fitzgerald," "Cold On The Shoulder", "Canadian Railroad Trilogy," "Ribbon Of Darkness," "Beautiful," "Song For A Winter's Night", "Shadows", "Rainy Day People", "Did She Mention My Name" and "Summertime Dream" to name a few. Tickets will go on sale to the public on Friday, January 19, 2018 at 10:00am and will be available at tributecommunitiescentre.com, by phone at 1-877-436-8811 and in person at the Tribute Communities Centre Ticket Office.

Gordon Lightfoot has recorded 20 albums and has five Grammy nominations. His songs have been aired regularly for more than 50 years, earning him Radio Singles Chart Positions in North America achieved by few others. Lightfoot's radio hits in the USA have earned Five #1s, Five Top 10s and Thirteen Top 40 hits. In Canada he has earned Sixteen #1s, Eighteen Top 10s and Twenty-One Top 40 hits.

Aside from his success in writing, singing and performing his own songs, Lightfoot has found fortune in having his songs recorded and performed by other great artists including: Bob Dylan, Elvis Presley, Johnny Cash, Hank Williams, Jr., Marty Robbins, Jerry Lee Lewis, Judy Collins, Johnny Mathis, Anne Murray, Olivia Newton-John, Sarah McLachlan, Barbra Streisand, Peter Paul & Mary, Harry Belafonte, Jane's Addiction, Richie Havens, Glen Campbell, Toby Keith, George Hamilton IV and Eric Clapton.

In June of 2012 Lightfoot's legacy was further enhanced when he was inducted into the Songwriters Hall Of Fame. Lightfoot was honored for his role in defining the folk-pop sound of the 1960s and '70s. There are fewer than 400 inductees who make up the impressive roster enshrined in the Songwriters Hall of Fame including Barry Mann, Jerry Leiber and Mike Stoller, Hal David and Burt Bacharach, John Fogerty, Bob Dylan, Isaac Hayes, Carole King, Paul Simon, Billy Joel, Sir Elton John, Bernie Taupin, Brian Wilson, James Taylor, James Brown, Bruce Springsteen, Jim Croce, Phil Collins, Loretta Lynn, Jimmy Webb, Van Morrison, Kris Kristofferson, Dolly Parton, Diane Warren, Garth Brooks, Leon Russell and Leonard Cohen.

In his native Canada, Lightfoot has been decorated with the highest honors bestowed to a civilian including the Governor's General Award and the Companion to the Order of Canada honor of merit. He has also won 17 Juno Awards. Gordon is a member of Canada's Walk of Fame and The Canadian Songwriters Hall of Fame. In 2007, Canada Post honored him by issuing an official Gordon Lightfoot postage stamp. Lightfoot is also in the Canadian Music Hall of Fame and the Canadian Country Music Hall of Fame. Gordon Lightfoot is an indelible part of the Canadian national spirit and regarded as perhaps the most prolific and greatest Canadian singer-songwriter of all time.

FAQs

I want to bring a group, can I buy multiple tickets and can we all play on the same teams?

Yes, simply buy as many tickets as you require. Each team is ideally 4 players. We will assign teams & ice sheets on the night of the event, and do our best to keep groups together. Buy a block of 8 tickets to have the whole sheet to yourself.

I don't have enough players to form a team, can I still participate?

Yes! Social curling is all about trying new things and meeting new people. For groups less than 4 people, we will match you with others to form a team.

Are there ID or minimum age requirements to enter the event?

Yes you must be 19 years of age or older. We are also hosting a family friendly event earlier in the day. Check our other events for details.

Does the club serve alcohol?

Yes, we have a fully stocked bar staffed by smart serve bartenders. Please note that alcohol is not permitted on the ice, nor will intoxicated players be allowed onto the ice.

Can I just show up, and pay in person at the club on the night of the event?

Walk ins will be welcome assuming there are open spots. Similar events have sold out, so the best way to ensure your spot is to buy tickets in advance. Don't worry, you can cancel up to 24 hours before the event for a full refund if something comes up, or transfer your ticket to someone else.

Three Days Grace, the internationally acclaimed and multi-platinum certified Canadian band, confirms the 16-date "The Outsider Tour" of their native Canada in support of their sixth full-length album, *Outsider*. Can't wait!"

“Infra-red” is the new single from Three Days Grace’s sixth studio album Outsider. The song is the follow up to their 14th #1 chart topping single “The Mountain,” also featured on Outsider. Three Days Grace continues to hold the all-time record for most #1 singles at the Active Rock radio format. The music video for first single “The Mountain” which Alt Press called a “...seismic new single” has been streamed over 14M times on YouTube alone. Taped at a UFC octagon, the music video for Outsider’s first single was directed by Sean Cartwright and features a cameo by UFC fighter Misha Cirkunov.

Recently, Three Days Grace was featured on Golf Channel’s “Morning Drive Show,” where they teed off with professional long driver, Kevin Shook. [Watch the segment here.](#)

Three Days Grace also debuted “I Am An Outsider,” the second track from their forthcoming album, along with the album’s tracklisting via Billboard, who say “I Am The Outsider” “...defines both the theme of Three Days Grace’s upcoming album Outsider and the Canadian band’s lyrical outlook in general.” Read Billboard’s interview with drummer Neil Sanderson and [listen to “I Am An Outsider” here.](#) The band also debuted their lyric video for “Right Left Wrong,” the third track revealed from their forthcoming album via Revolver who call it a “propulsive new song.” [Check out “Right Left Wrong” via Revolver here.](#)

“To me, Outsider represents the journey to find your place,” says bass player Brad Walst. “The world feels crazy at times. We try to get away from that every once in a while. We do our own thing, and we’re comfortable doing it. We have always looked forward—and not backwards. That’s an ongoing theme.” [Purchase Outsider on all formats here.](#)

Given this undeniable unpredictability, Outsider feels right at home alongside a catalog of fan favorites from Three Days Grace. Since 2003, the band has staked a spot amongst the hard rock vanguard, breaking records, topping charts, moving millions of units worldwide, and making history by holding the all-time record for “most #1 singles at Active Rock Radio ever” with 14. In 2015, Human marked the group’s second straight #1 slot on the Billboard Top Hard Rock Albums Chart as well as their fourth consecutive debut in Top 20 of the Top 200. It spawned two #1 singles “Painkiller” and “I Am Machine,” signaling their 13th overall and 5th consecutive number ones on the Active Rock Radio chart. Moreover, the four-piece consistently averaged a staggering 3.9 million monthly listeners on Spotify—remaining one of the most listened to rock bands in the world. In 2012, Transit of Venus soared to the Top 5 of the Top 200 and garnered a nod for “Best Rock Album of the Year” at the Juno Awards. The seminal One-X [2006] notched an RIAA triple-platinum certification as Three Days Grace [2003] was minted platinum and Life Starts Now went gold. To date, their veritable arsenal of number one includes “Chalk Outline,” “The High Road,” “Misery Loves My Company,” “World So Cold,” “Good Life,” “Break,” “Never Too Late,” “Animal I Have Become,” “Pain,” “Just Like You,” and “Home.”
