The school was one of only five that served the Township of Whitby at that time, and continued to do so until 1965. The building is still in use as a Community Centre today.

In 2019, in association with Doors Open Whitby, a team of archeologists excavated the schoolyard. At our first Tea & History presentation of 2024, you'll meet Dr. Hull, an archeologist involved in the project, and learn abo ut the artifacts uncovered at the site!
