Durham WALK for Lupus Ontario

Date and Time: Sunday, June 9 10:30 am - 2:00 pm

Address: 177 Lake Driveway W. Ajax, ON

Join us Sunday, June 9th at Ajax Rotary Park for the Durham WALK for Lupus Ontario.

The WALK for Lupus is Lupus Ontario's largest provincial fundraising and awareness event. It began over 23 years ago with a single walk and has grown in to an event involving thousands of participants throughout Ontario. Over the years, the WALK for Lupus has raised over \$1.5 million to fund the Lupus Ontario Geoff Carr Research Fellowship, support and education programs for lupus patients and their families, and advocacy projects aimed at improving programs and services for lupus patients.

Lupus is an autoimmune disease where the body attacks itself causing inflammation, pain, and possible organ damage. Five million people suffer from lupus globally and there is currently no cure. Nine out of ten lupus patients are women, usually diagnosed between the ages of 15 and 45. Each year as we gather for the WALK for Lupus Ontario, we create awareness of this life altering and sometimes fatal disease.

Check in begins at 10:30am with the walk stepping off at 11:30am

Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.

What if the weather's bad? We'll be running rain or shine, in just about every weather! In the rare case that the weather is too hazardous for running, we'll email everyone to let them know. Do I need to be a fast runner? Not at all! Runners of all speeds will be welcome. Can I bring my dog? You're welcome to bring your leashed dog. Please keep your dog by your side at all times so as not to impede other runners, and be prepared with bags to pick up and carry poop until you can discard it in the garbage. ELDOA is a revolutionary stretching and strengthening technique for the spine and joints of the body. These exercises create space between every level of your spine, your hips and shoulders, to alleviate back pain and improve your overall posture. ELDOA is for everyone, from kids, seniors, athletes, desk bound workers, weekend warriors, pregnant women, and those with pain. ELDOA can be adapted to every human. Benefits of ELDOA: ELDOA connects your body, mind and spirit through a series of techniques designed to have a calming effect on the nervous system. The primary goal of ELDOA is to increase space by decompressing (decompression) the specific joint. There is an ELDOA for every joint in the body. Each class will begin with some breath work followed by a fascial-based joint by joint warm up to ready the body for the poses. Following that, Lauren will lead you through a selection of ELDOA postures ending with a final relaxation. Modifications will be given to accommodate every level. Book one class or save by booking for the whole of June (can receive discount still after 1st class).

During the event, guests are invited to explore the gardens outside of each home on the Tour between 10:00 am and 5:00 pm, rain or shine. This year, a limited edition ticket is also available for a Tour & Talk with Afternoon Tea and a book signing, featuring Rick Grey, co-author of the Globe & Mail bestselling book The Gardener's Guide to Native Plants of the Southern Great Lakes Region. The book event will be held at 4:00pm on June 15.

The self-guided tour (with driving maps provided) typically includes country gardens and town gardens. Volunteers are assigned to each home to greet guests and provide information.
