Address: The Second Wedge Brewing Co., 14 Victoria Street, Uxbridge

Calling all experienced and budding artists and creatives: Join us for our Drink and Draw sketch jam every other Thursday evening! This informal gathering is open to those aged 19+ interested in starting or maintaining sketching or drawing practice, for fun and creative growth. (More into stitching, making or writing? Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.

What if the weather's bad? We'll be running rain or shine, in just about every weather! In the rare case that the weather is too hazardous for running, we'll email everyone to let them know. Do I need to be a fast runner? Not at all! Runners of all speeds will be welcome. Can I bring my dog? You're welcome to bring your leashed dog. Address: Silver Heron Farm, 324 Wagg Road, Goodwood, Uxbridge

Throughout your session, alpacas will be quietly grazing around you and then enjoy some time after your class interacting with them and feeding them treats (provided). What is ELDOA? ELDOA is a revolutionary stretching and strengthening technique for the spine and joints of the body. These exercises create space between every level of your spine, your hips and shoulders, to alleviate back pain and improve your overall posture. ELDOA is for everyone, from kids, seniors, athletes, desk bound workers, weekend warriors, pregnant women, and those with pain. ELDOA can be adapted to every human. Benefits of ELDOA: ELDOA connects your body, mind and spirit through a series of techniques designed to have a calming effect on the nervous system. The primary goal of ELDOA is to increase space by decompressing (decompression) the specific joint. There is an ELDOA for every joint in the body. Each class will begin with some breath work followed by a fascial-based joint by joint warm up to ready the body for the poses. Following that, Lauren will lead you through a selection of ELDOA postures ending with a final relaxation. Modifications will be given to accommodate every level. Book one class or save by booking for the whole of June (can receive discount still after 1st class).

Saint Asonia Live at the Biltmore Theatre

Date and Time: Thursday, June 20 7:00 pm - 11:55 pm

Address: 39 King Street East, Oshawa

MOD0-LIVE, Biltmore Theatre & Programme present...

Saint Asonia

w/ Special Guests

By turning inward, Saint Asonia amplify every element of their signature sound. Skyscraping hooks soar higher, while arena-ready rhythms rattle harder. The guitars cut deeper, and the lyrics resound louder than ever. The quartet—Adam Gontier [vocals, guitar], Mike Mushok [lead guitar], Cale Gontier [bass], and Cody Watkins [drums]—find power and strength on their aptly titled 2022 EP, *Introvert* [Spinefarm Records].

Saint Asonia initially united two hard rock luminaries under a new banner. Respectively, Adam and Mike had each reached stratospheric heights in *Three Days Grace* and *Staind*, toppling charts, packing venues, and selling millions of records. As such, their union captivated audiences worldwide. In the wake of their 2015 self-titled debut *Saint Asonia*, Loudwire christened the band its “Best New Artist” at the Loudwire Music Awards.

Lighthouse

Date and Time: Saturday, June 22 8:00 pm - 10:00 pm

Address: 50 King St E Oshawa

Presented by: Blackrose Entertainment in Association with CKDO 107.7 FM 1580AM

Lighthouse burst on the scene in 1969, with an explosive sound that defied all conventions. Between 1970 and 1973 they were awarded four Junos, four gold albums and Canada's first platinum album for Lighthouse Live! While hits such as One Fine Morning, Sunny Days, Hats Off to the Stranger, 1849 and Pretty Lady raced to the top of Canadian and International charts.

As the first fusion band, their unique blend of rock, jazz and classical influences rocketed them to the forefront of musical trends. They were the first rock band asked to headline the Newport, Monterey and Boston Globe Jazz Festivals; the first to perform with Symphony Orchestras and the first to collaborate on a Rock Ballet. Lighthouse was the only act invited to perform a second night at the legendary 1970 Isle of Wight Festival among acts that included The Who, Miles Davis, Joni Mitchell, Chicago and The Doors.

From 1970 to 1976 Lighthouse toured three hundred days a year across North America with an emphasis on Canadian concerts in the cities, towns and small hamlets of every province. Indeed, it's hard to find a person who lived in Canada through the 1970s who didn't see the group live. They were Canada's band. Reunited in 1992, Lighthouse continues to tour regularly featuring original founders Paul Hoffert and Ralph Cole leading an all-star line-up that includes original members Russ Little and Steve Kennedy with Chris Howells, Simon Wallis, Doug Moore, Don Paulton, Jamie Prokop and dynamic lead vocalist Dan Clancy.

About Haute Goat

Haute Goat Farm is a breathtaking animal farm outside of Toronto that includes a 200-acre farm, where you can discover Farm Experiences, Port Hope Day Trips, Goat Yoga and more with our Nigerian Dwarf Goats, Huacaya Alpacas, Exotic Chickens, Icelandic Horses, Tornjak Livestock Guardian Dogs and our big, silly mule named Lucy Mae Belle.

*What Is A Shmurgle?

One of our visitors described it as: “the joyful sound your heart makes when you snuggle a baby goat”... its that and so much more. Snuggles, cuddles, hugs – all the things that our goats love to do, but we make it into a wh

ole experience by taking the goats walking through our fields in any weather. We end up in the Goat Playground where everyone hangs out with the goats, lots of time for bonding with our little goaties. We dare you to leave without a smile on your face – or maybe you won't leave at all!

Address: The Second Wedge Brewing Co., 14 Victoria Street, Uxbridge

Calling all experienced and budding artists and creatives: Join us for our Drink and Draw sketch jam every other Thursday evening! This informal gathering is open to those aged 19+ interested in starting or maintaining sketching or drawing practice, for fun and creative growth. (More into stitching, making or writing? Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.

ELDOA With Alpacas

Date and Time: Thursday, June 27 7:00 pm - 8:15 pm

Address: Silver Heron Farm, 324 Wagg Road, Goodwood, Uxbridge

ELDOA with Alpacas! Experience the health benefits of ELDOA stretching with the serenity of being in a quiet country location outdoors surrounded by fuzzy alpacas! Throughout your session, alpacas will be quietly grazing around you and then enjoy some time after your class interacting with them and feeding them treats (provided). What is ELDOA? ELDOA is a revolutionary stretching and strengthening technique for the spine and joints of the body. These exercises create space between every level of your spine, your hips and shoulders, to alleviate back pain and improve your overall posture. ELDOA is for everyone, from kids, seniors, athletes, desk bound workers, weekend warriors, pregnant women, and those with pain. ELDOA can be adapted to every human. Benefits of ELDOA: ELDOA connects your body, mind and spirit through a series of techniques designed to have a calming effect on the nervous system. The primary goal of ELDOA is to increase space by decompressing (decompression) the specific joint. There is an ELDOA for every joint in the body. Each class will begin with some breath work followed by a fascial-based joint by joint warm up to ready the body for the poses. Following that, Lauren will lead you through a selection of ELDOA postures ending with a final relaxation. Modifications will be given to accommodate every level. Book one class or save by booking for the whole of June (can receive discount still after 1st class).

Address: The Second Wedge Brewing Co., 14 Victoria Street, Uxbridge

Come celebrate the latest show on our walls, meet the artist and maybe find a piece to call your own! All are welcome. Uxbridge's Sarah Holtby is a self-taught artist, educated in the fields of science and architecture. Her tools, primarily coloured pencil, allow her to convey her humbling fascination with the intricate details of the human form while exploring the beauty and mystery of the human spirit. "My work as a portrait artist is about processing a world in constant motion. It is my act of defiance. The quiet, slow, deliberate reflection of all the details and how they tell the story of the human spirit."

Zachary Lucky live at The Second Wedge

Date and Time: Sunday, June 30 5:00 am - 5:00 pm

Address: The Second Wedge Brewing Co., 14 Victoria Street, Uxbridge

Music Sunday! We're welcoming back Zachary Lucky for an amazing afternoon at the brewery. Zachary Lucky is unapologetically old-school country, armed with a husky, baritone voice – He often receives comparisons to songwriters such as Gordon Lightfoot and Kris Kristofferson. He sings of Canadian places and people as knowingly as he might Townes Van Zandt or the Rio Grande. His songs are relatable on many levels and conjure universal feelings that have passed through our collective timelines. Already hailed as a master storyteller by outlets ranging from No Depression to The Globe and Mail, Zachary is becoming a legend in his own right and has safely reserved his spot at the table of Canadian roots royalty.
