In this revised third edition of the award-winning original—perfect for your own library or as a gift for the whisky lover in your life—you'll discover current research and recent interviews covering: Whisky Producers Across the Country, from Legacy Distilleries to New Microdistilleries: Enjoy a deep dive into Canada's world of whisky, from long-lasting empires to innovative new players. History and Process, as Told by Experts: Chief blenders and distilling family royalty share fascinating anecdotes and insights. New Tasting Notes: Consider over 100 unique tasting notes for whiskies from across the nation before trying them yourself. Full-Colour Photography: From legendary distilleries to historic portraits to rare photographs, these images paint the history of whisky. With a refreshed design and maps of the country's whisky distilleries to accompany its up-to-date information, this new edition of Canadian Whisky becomes the definitive source for Canada's wonderful world of whisky.

Studebaker John & The Hawks

Date and Time: Saturday, March 16 8:00 pm - 11:00 pm

Address: 16 Main Street South, Uxbridge

Studebaker John's career has spanned six decades with tours across Europe and the United States. With over 20 albums released, he's one of Chicago's most legendary blues musicians.

Studebaker John Grimaldi was born in an Italian American section of Chicago and started playing harmonica at age 7. Under the spell of the music he heard on Maxwell Street, Chicago's famed blues melting pot, Grimaldi began performing as Studebaker John and the Hawks in the '70s. The band referenced the Studebaker Hawk, a car Grimaldi still owns today, and was also intended as a tribute to his friend, J.B. Hutto and the Hawks. John began playing guitar after a life-changing experience of seeing Hound Dog Taylor and the Houserockers perform. "...Hound Dog started playing, hitting notes that sent chills up and down my spine. He was versatile and powerful and would play rhythm as well as leads. I left there knowing what I wanted to do. I had to play slide guitar." S
