Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.

No Mud, No Lotus: Exhibition of Work by Cheryl Rock

Date and Time: Saturday, April 6 11:00 am - 5:00 pm

Address: Scugog Arts Space, 175B Queen Street, Port Perry, Scugog

In "No Mud, No Lotus," I explore the complex relationship between struggle and beauty, drawing inspiration from the enduring metaphor of the lotus emerging from the murky depths of a muddy environment. Through my art, I delve into the transformative power of adversity, highlighting how overcoming challenges and hardships, and remembering who you are, serve as the fertile ground from which resilience and growth flourish. Using a subtractive process, and a variety of media, I capture the essence of this metaphor, inviting viewers to contemplate their journeys of growth and self-discovery. Each piece reflects the complex interplay of darkness and light, chaos and harmony, inviting viewers to embrace the inherent beauty in life's imperfections. By showcasing the inherent beauty in life's challenges, "No Mud, No Lotus" serves as a reminder that our healing and joy are essential, as we discover inner power, uncovering the extraordinary beauty and strength that lies within us all.

The 67th Canadian Police Curling Championship is a week-long event that will be held April 6 - 13, 2024 in Whitby. This will be the ninth time since the Championship began in 1956 that the event will be hosted in Ontario. The teams will play an eleven-game round-robin, followed by a page playoff format that determines the national champion.

Fun Fact: In 1985, the Whitby Curling Club also hosted this same event. The Championship Team from 1985 will be returning again this year as Team Canada. (Prov of BC)

The Canadian Police Curling Association (CPCA) is non-profit; hence we must raise funds through sponsorship to fund the national. The host committee is solely responsible for the funding of their event. Equally important for each host committee is to be able to make a substantial donation to the CPCA 'charity of choice' Tourette Canada.

The host committee is striving to ensure that we proudly promote the Region of Durham, the sport of curling and our various Police Services. This is an amazing opportunity to build partnerships with fellow police officers across Canada, communit

Date and Time: Wednesday, April 10 11:00 am - 5:00 pm

Address: Scugog Arts Space, 175B Queen Street, Port Perry, Scugog

In "No Mud, No Lotus," I explore the complex relationship between struggle and beauty, drawing inspiration from the enduring metaphor of the lotus emerging from the murky depths of a muddy environment. Through my art, I delve into the transformative power of adversity, highlighting how overcoming challenges and hardships, and remembering who you are, serve as the fertile ground from which resilience and growth flourish. Using a subtractive process, and a variety of media, I capture the essence of this metaphor, inviting viewers to contemplate their journeys of growth and self-discovery. Each piece reflects the complex interplay of darkness and light, chaos and harmony, inviting viewers to embrace the inherent beauty in life's imperfections. By showcasing the inherent beauty in life's challenges, "No Mud, No Lotus" serves as a reminder that our healing and joy are essential, as we discover inner power, uncovering the extraordinary beauty and strength that lies within us all.

No Mud, No Lotus: Exhibition of Work by Cheryl Rock

Date and Time: Wednesday, April 17 11:00 am - 5:00 pm

Address: Scugog Arts Space, 175B Queen Street, Port Perry, Scugog

In "No Mud, No Lotus," I explore the complex relationship between struggle and beauty, drawing inspiration from the enduring metaphor of the lotus emerging from the murky depths of a muddy environment. Through my art, I delve into the transformative power of adversity, highlighting how overcoming challenges and hardships, and remembering who you are, serve as the fertile ground from which resilience and growth flourish. Using a subtractive process, and a variety of media, I capture the essence of this metaphor, inviting viewers to contemplate their journeys of growth and self-discovery. Each piece reflects the complex interplay of darkness and light, chaos and harmony, inviting viewers to embrace the inherent beauty in life's imperfections. By showcasing the inherent beauty in life's challenges, "No Mud, No Lotus" serves as a reminder that our healing and joy are essential, as we discover inner power, uncovering the extraordinary beauty and strength that lies within us all.

Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.

THE POWER OF HUEY - A TRIBUTE TO THE MUSIC OF HUEY LEWIS and THE NEWS.

Date and Time: Thursday, April 18 8:00 pm - 10:00 pm

Address: Regent Theatre, 50 King Street East, Oshawa

Presented by: Blackrose Entertainment. Music fans of the 80s, you're not going to want to miss this one! Playing the "Sports" album from front to back, and another set of nothing but the hits. The original idea for the band started about 10 years ago when Simon Head (Bass/ backing vocals) and Mikey Hawdon (rhythm guitar) were in a Skype conversation. Simon noticed that Mikey was wearing a 3/4 sleeve Huey Lewis and the News shirt and gushed over how that was his first unchaperoned concert and how much the "Sports" album meant to him. Simon then suggested that they re-record that album at his Insight Recording studio note for note and cut for cut. A week or two went by when Mikey called Simon saying he had learned all the drum parts and was ready to record. What started off as an extemporaneous remark began a project that never ended. The project moved from hard drive to hard drive, computer to computer until one day in the spring of 2019, The POWER OF HUEY became a reality! Recommended Age: 14+ Age Restriction: 5+

With a broad grin and good natured chuckle, Gray will often smile into the microphone and state matter of factly that he wants you to remember who he is. "James Gray is a dynamic singer/songwriter with a spirited, compelling sound that speaks to us all. With a stage presence that commands your attention his music is expressive and soulful. He garners followers wherever he performs. James is a musical talent not to be missed!" ~ Pam Carter, Mariposa Folk Festival President
