Marc Jordan & Amy Sky - Together in Concert!

Date and Time: Thursday, May 9 7:30 pm - 9:30 pm

Address: 50 King St E Oshawa

Presented by: Shantero Productions

Marc Jordan & Amy Sky...Together in Concert is, in short, magical! Two much-loved and respected, multiple award-winning Canadian singer-songwriters fuse their individual talents to create a spellbinding evening of entertainment.

Throughout the evening, aside from their wry humour and anecdotes spanning 36 years of marriage, each will perform a generous sampling of their own hits. From Amy's I Will Take Care of You, Til You Love Somebody

and Love, Pain and the Whole Damn Thing, to Marc's Marina Del Rey, Tears of Hercules and, of course, his worldwide #1 hit Rhythm of My Heart.

For this series of concerts, they will be joined by a group of outstanding musical friends under the direction of renowned producer/composer and keyboardist Lou Pomanti.

Marc Jordan & Amy Sky...Together in Concert! The whole is, indeed, greater than the sum of its parts.

Recommended Age: 12+

Age Restriction: 5+

As Canadian broadcaster Ross Porter wrote, "If music is doing its job, one of its functions is to act as a salve to the troubled times in our lives. Marc performs with so much affection and imagination, the mission is accomplished." The very same can be said of Amy.

Nonetheless, the real magic comes when Marc and Amy sing together – the melody intertwined with innovative and unexpected harmonies – his smoky, jazz-tinged voice comes in above her gutsy, gravelly alto, next phrase they weave around each other, and Amy is soaring over Marc, so deliciously evident in songs like Long Shot and Free Fallin' from their critically acclaimed Juno nominated album He Sang, She Sang.

Second Marsh and McLaughlin Bay Wildlife Reserve

Oshawa, Ontario

Saturday, May 25, 2024

10:00 am to 1:00 pm

Limited to participants 16 and older

Price \$90 plus Eventbrite fees (\$97.18 total)

Michi Saagiig artist/biologist Rick Beaver of the Mississauga Ojibway of the Rice Lake area will lead a guided tour of the Second Marsh and McLaughlin Bay Wildlife Reserve. Rick has been painting and exhibiting internationally for more than 45 years. He also brings his formal training as a wildlife biologist. His fusion of art with science works to honour and protect earth.

Rick has titled his tour The Moods of May and writes,

‘For some naturalists, Ontario’s most anticipated events often occur during the transitional seasons of spring and fall. We often remark at their rapid appearances and departures, when everything seems in a hurry either to catch up or avoid being left behind. Like transient weather systems, the seasons bring migrants, stories and change. May is such a month, at times seeming to flow smoothly into summer; at others moodily reluctant to release the grip of cooler days, in defiance of the calendar’s date: a time of both flowers and frost. On this outing, the marshes, woodlands, fields and beaches will reveal their character in wings, songs, aroma and hue, writing their own chapters in the journal of the seasons.’

To optimize this exceptional experience, the group will be limited to 20 participants.

Port Perry Walk for Dog Guides

Date and Time: Sunday, May 26 10:00 am - 2:00 pm

Address: Palmer Park Port Perry

In 2018 a small group of local residents brought the walk for Dog Guides to Port Perry. Thanks to the encouragement and help from local business, the local Pet Valu, local media and Focus on Scugog, the Port Perry Pet Valu Walk for Dog Guides ("the Walk") last year was the largest fundraising walk for the Lions Foundation Dog Guides after the Oakville head office walk. In 2023 we raised a record of \$29,677 with 175 people walking with 110 dogs. The Port Perry walk has raised \$141,487 for Dog Guides since 2018. Pictures and videos of past walks can be seen by clicking [here](#).

The key benchmarks have always been starting in Palmer Park by the waterfront on the walk's official date of the last Sunday in May, walking thru beautiful downtown Port Perry and ending the walk at our awesome brewery, The Old Flame.

Terry Vos of Vos Independent Grocer provides the complimentary lunch for participants as well as a generous donation. Local bag pipers lead the walk with traditional Scottish melodies. The Port Perry Pet Valu and Paulmacs pet stores contribute with a very generous goodie bag that is given to all registered walkers. This is truly a major community event for Port Perry.

In July 2023 the first dog guide named Artie arrived in Port Perry. Artie is an autism assistance dog guide. Each Autism Assistance Dog Guide is uniquely trained to meet each autistic child's individual needs. These Dog Guides can provide safety, companionship, calming relief in high-anxiety situations, and reduce the stress commonly experienced in public places. The bond formed between the Dog Guide, autistic child and their family allows for greater independence, social interaction and additional peace of mind when experiencing events in their community. A key goal from day 1 of the Port Perry Pet Valu Walk for Dog Guides organizing team was to obtain a dog guide for a local resident!

Since 1984 the Walk for Dog Guides has been a vital national fundraiser in support of [Lions Foundation of Canada Dog Guides](#). Taking place in approximately 300 communities across Canada, the Walk raises funds to provide life-changing Dog Guides to Canadians with physical and medical disabilities at no cost to them. The Dog Guides are provided free by the Lions Foundation for vision, seizures, autism, hearing and diabetic alert. A family and dog-friendly event that welcomes participants of all ages and abilities, The Pet Valu Walk for Dog Guides relies on the generous support of people like you, volunteers, donors, and partners to meet its goal of giving Canadians a new leash on life. Providing specially trained Dog Guides through seven distinct programs meeting a wide range of needs, Dog Guides increase the independence, mobility, and safety of their handlers.

Lions Foundation of Canada Dog Guides are proud to have graduated 76 Dog Guide teams in 2023 across all seven Dog Guide programs. Watch our lat

est graduation on our [YouTube channel](#) and hear directly from some of our grads about how their new Dog Guide has already positively impacted their life . Pre pandemic graduates numbered in the 150's. A new state of the art training school is targeted to open in 2025 to meet Lions Foundation of Canada Dog Guides' goal of training 250 Dog Guides per year to meet demand.

Lions Foundation of Canada Dog Guides operates under the highest standards. We are a founding member of the Canadian Association of Guide & Assistance Dog Schools and a fully accredited member of International Guide Dog Federation and Assistance Dogs International. Lions Foundation of Canada is recognized as a member of Imagine Canada's Standards of Excellence program, a charitable organization that meets the highest standards for accountability and openness in its fundraising practices and policies.

Drink and Draw in the Loft at The Second Wedge

Date and Time: Thursday, May 30 7:00 pm - 9:00 pm

Address: The Second Wedge Brewing Co., 14 Victoria Street, Uxbridge

Calling all experienced and budding artists and creatives: Join us for our Drink and Draw sketch jam every other Thursday evening! This informal gathering is open to those aged 19+ interested in starting or maintaining sketching or drawing practice, for fun and creative growth. (More into stitching, making or writing? Come on over – you can practice your craft among friends here too!) Bring your own supplies. Drop-ins are welcome! About your host: From time to time, John Allen is seen backed into a corner sketching at the Wedge. He's an avid sketchbook keeper always having several going at any one time. He sees it akin to an artist's physical training program. Designing for TV/film and new media demanded him to swap his pens for a mouse, and despite his passion for staying current with the latest digital tools, he maintains the practice of hand sketching for a variety of reasons, not least for the pure joy of it.

Daniel Raymond

Date and Time: Thursday, May 30 7:00 pm - 11:30 pm

Address: 39 King Street East, Oshawa

Join us in the magical mezzanine of the Biltmore Theatre on Thursday, May 30 at 7pm for an intimate night of songs and storytelling with Oshawa singer-songwriter Daniel Raymond. Raymond will be playing all of the songs from his new EP, 'What We Are Trying to Become' in a stripped-down musical duo with J.G. Folsky – with a focus on describing stories about the writing and recording of each song. This will be followed by performances of a range of songs from his other releases.

The new EP – which was recorded and produced by Ottawa’s Jim Bryson – has been receiving positive recognition since its release. Canadian Beats states, “The EP is a testament to Raymond’s dedication to growth, both musically and lyrically. Collaborating with new musicians and producer Jim Bryson, Raymond embarked on a journey to craft a sound that resonates with hope while retaining the raw honesty of his previous works.” Cactus Cottage adds, “Daniel delivers complex feelings and insight with great musical accessibility. Sometimes things are hard, and the right artistic expression of those things makes them relatable. This EP is a road trip to find our true selves, and it's happening on a beautiful sunny day in a cherry red convertible with the top down and the wind just right.”

25% of the proceeds from the night will go to Feed the Need in Durham and the Downie-Wenjack Foundation.
