Address: The Regent Theatre 50 King St E, Oshawa, ON L1H 1B3

The Official Blues Brothers Review

combines the comedy, music and mayhem from the original movie, as well as songs from the five popular albums released by John Belushi and Dan Aykroyd.

It is a faithful recreation oh the characters Jake and Elwood, and a spectacular tribute to Chicago’s rich history of Blues, R&B and traditional soul music.

Anyone who missed a chance to see Aykroyd and Belushi as alter egos Elwood and Jake Blues, The Official Blues Brothers Review has more than enough of the star you charisma, mock-straight, button-down humor, and great music to do the trick.
