

# **DURHAM NUCLEAR HEALTH COMMITTEE (DNHC)**

Friday, April 20, 2018 (12:00 PM Lunch, 1:00 PM Meeting)

Durham Regional Headquarters, 605 Rossland Road East, Whitby in Meeting Room LL-C

## **REVISED AGENDA**

### **1.0 ADOPTION OF AGENDA (Robert Kyle)**

### **2.0 ADOPTION OF MINUTES** of January 19, 2018 (Robert Kyle)

Ian Azevedo will answer questions on INES for the Pickering exercise as mentioned in 4.2 of the Draft Minutes of the January 19<sup>th</sup> DNHC meeting.

### **3.0 CORRESPONDENCE (Brian Devitt)**

- 3.1 Minutes of the Pickering Community Advisory Council meetings held on November 28, 2017, January 16 and February 20, 2018.
- 3.2 Additional information was provided to Brian Devitt by Adrian Nalasco dated January 23<sup>rd</sup> as a follow-up to his presentation at the January 19<sup>th</sup> DNHC meeting concerning the Ontario Ministry of Energy 2017 Long-Term Energy Plan. The two technical issues discussed at the meeting that Adrian provided additional information to the DNHC were:
  - Feasibility Study on Recycling of Used CANDU Fuel report prepared by Canadian Nuclear Laboratories for the Ontario Ministry of Energy
  - Role of the Independent Electricity System Operator in Ontario
- 3.3 OPG newsletter concerning the Darlington Refurbishment Project dated January 31, 2018.
- 3.4 OPG newsletter concerning the Darlington Refurbishment Project dated February 20, 2018.
- 3.5 Response by Brian Devitt to Janet McNeill's request on February 21<sup>rd</sup> for the DNHC to provide additional information on INES ratings for the Pickering exercise to better understand the severity of the accident scenario used in the exercise. As a follow-up to Janet's request, arrangements were confirmed February 23<sup>rd</sup> to have Ian Azevedo, who provided a presentation to the DNHC on January 19<sup>th</sup> concerning the Unified Control Emergency Exercise, attend the April 20<sup>th</sup> DNHC meeting to answer questions on INES for the Pickering exercise as mentioned in 4.2 of the Draft Minutes for January 19<sup>th</sup> meeting.
- 3.6 OPG newsletter concerning the Darlington Refurbishment Project dated March 20, 2018.

### **4.0 PRESENTATIONS**

- 4.1 Progress report by the Office of the Fire Marshal & Emergency Management concerning Revisions to the Provincial Emergency Response Plan (Dave Nodwell)

- 4.2 Progress report by the Nuclear Waste Management Organization concerning the Long-Term Management of Used Nuclear Fuel (Jo-Ann Facella & Mahrez Ben Belfadhel)
- 4.3 Progress report by OPG concerning Nuclear Waste Management at Pickering and Darlington NGSS (Gord Sullivan)

## **5.0 COMMUNICATIONS**

- 5.1 Community Issues at Pickering Nuclear (Jennifer Knox)
- 5.2 Community Issues at Darlington Nuclear (Jennifer Knox)

## **6.0 OTHER BUSINESS**

- 6.1 Topics Inventory Update (Robert Kyle)
- 6.2 Future Topics for the DNHC to Consider (Robert Kyle)

## **7.0 NEXT MEETING**

June 15, 2018 (12:00 PM Lunch, 1:00 PM Meeting)  
Durham Regional Headquarters  
605 Rossland Road East, Whitby in Meeting Room LL-C

## **8.0 ADJOURNMENT**
