

SPRING 2019

Expect the Unexpected

11th Annual

DURHAM WEST STUDIO TOUR

April 27th & 28th

10:00 am – 5:00 pm

Our Studio Tours give the public an opportunity to meet artists in their home studios. These two-day events allow you to explore a designated area and visit artists. Although the work is available for purchase, of greater importance is the opportunity to learn about the artistic process and vision. Our artists really love to talk about their work!
